##### Cable Punchlist

Overview of Cable work today:

The following work was ongoing today on the Cable:

- Painting of main Cable & suspender brackets

Today I was doing general inspection & catching up on paperwork in the office.

- At 07:00, I arrived at the pier-7 office.
- From 07:00 until 08:00, I did misc office work, including checking email & updating the Cable punch-list.
- From 08:00 until 08:45, I attended the weekly RE update meeting.
- At 09:00, I arrived on the bridge.
- From 09:00 until 10:00, I did a walk-through of the bridge to check for any work on the Cable. None was ongoing other than painting.
- At 10:00, I left the bridge.
- From 10:15 until 12:00, I did misc office work, including getting caught up on paperwork.
- At 11:00, I received a phone call from ABF Engineer Ben Jones. He mentioned that a crane with a man-basket may be available soon for inspection of suspender rope wires. The painters are currently using the basket, but it will be available for us later this afternoon or tomorrow.
- From 12:00 until 12:30, lunch.
- From 12:30 until 13:00, I continued to get caught up on paperwork.
- From 13:00 until 15:00, I attended the safety awareness training. The topic was fall protection & effective communication.
- From 15:00 until 15:45, I wrote my diary for the day & checked email.
